

# Annual Report 2021-2022

## ANNUAL REPORT OF THE ACADEMIC YEAR 2021-2022

*"I've always loved the first day of school better than the last day of school. Firsts are best because they are beginnings" – Jenny Han*

### TO HEAL TO HUMANIZE

Shanti Om

"My soul magnifies the Lord and my spirit rejoices in God my Saviour". This is the year of great blessings which has created a lot of achievements, creativity and harmony. The school formation has an essential role in imparting good value and education that will bring forth an overall development of the student. To implement this, our school inculcates physical, intellectual, moral, spiritual and social values in the minds of students so as to transform them into greater personalities. Our system of education is a blend of theory and practice in the right proportion to arrive at a comprehensive curriculum. With immense pleasure I present to you the Annual Report 2021 – 2022. This academic year began in the midst of Corona Pandemic and the resultant lockdown.

#### **Profile of the School:**

With the prime vision of our School and the dream of its successors, our school was established in June 2005 with the strength of 350 students and 11 teaching staff from LKG to IV standard and in 2009 and 2010 VIII & IX standards were begun respectively. Now our school has a strong team of 4 Religious Sisters, 59 teaching staff and 36 Non-Teaching Staff who are devoted to the cause of education. The present strength of School is 1186 of which there are 663 Boys and 523 Girls. This marvellous progress is achieved not only in number but in quality and excellence as well.

#### **Academic Highlights:**

The high attainments of our students in academics, speak volumes of the dedication and single mindedness of our teachers and management. The Ninth batch of brilliant students appeared for X Standard Public Examination in March 2021.

It was the Almighty God's grace, the strenuous hard work of our Staff, the tireless efforts of our students and constant co-operation of the parents that we were able to achieve the spectacular results of previous years. I do appreciate all the Staff and Students who have brought laurels to our Institution. Congratulation dear students and much thanks to the dedicated staff and parents.

**Infrastructure:**

Our school consists of spacious and highly ventilated class rooms. Teaching learning ratio is 1:30. Well-furnished class rooms and smart class for better learning, well equipped science laboratories and ATL lab for acquiring scientific skill are well appreciated by many. The library with good number of books which highly promotes reading habit among students and teachers. The school has also initiated an e-library wing in its library. Our school is magnificent with well-trimmed plants and fresh green lawn which reflects deeply acute love for nature and inherent aesthetic sense. It has gone a long way to give the school a picturesque and eye warming look. The extension and renewal work of our playground infrastructure was under progress. The pandemic affected our physical work as well.

**Special Activities Launched in this Year:**

we started with our online teaching initially with zoom and later migrated to google meet. The average attendance in these online classes stood below 65% only despite our efforts. The physical classes for the session started phase wise as per the directions of the state govt's directives.

**Our Teachers:**

Our school has enthusiastic and active Management headed by the Principal, and eight Heads of various departments. From every department one teacher is treated as head and is the leader of education and co-curricular activities. Teachers are extremely good at planning that meets pupils' needs, ability, and interest and record their previous learning instantaneously. Their high-quality teaching helps every child, in every class room. They pay special attention to the slow learners which increased their normal score to high level scoring.

**Our Students:**

Our students come to school with smiling face and they enjoy coming to school. They are well groomed with neat and tidy uniforms. They are taught to be very polite, well mannered, respectful, excitingly confident, more creative, much disciplined and skilfully managing and adjusting with their daily tasks. All the students have excellent attitude towards learning and take pride in their work which is seen in the stunning display of their work in the class rooms and around the school. They are being trained to become great leaders of future.

**Remedial Classes:**

The management took necessary care of the slow learners to maintain their standard. Parents are well informed about their performance in every midterm and terminal examination through progress reports. The management is keen in considering and implementing suggestions of the parents. Assignments, periodical tests and terminal

examinations are being conducted as usual and progress cards are issued at the end of every exam. Thrice a year we meet the parents. The parents meeting of IX and X standard students were organized on the need basis.

### **Functions and Celebrations:**

we celebrated Independence Day, Teachers' Day, Christmas, Pongal and Republic Day in a very limited manner without any pomp. A few of these celebrations were recorded and sent to students and their parents as covid protocol was in place. The Apostolic Administrator of Jalandhar Diocese Rt. Rev. Dr. Agnelo Gracias visited our school and interacted with the students and the faculty on 24<sup>th</sup> November 2021.

### **Social and Spiritual Activities:**

Spirituality must be integrated with education. The day begins with the general assembly followed by yoga / meditation which refreshes their minds and hearts. In solidarity with our students and teachers, we make our presence felt with them on all occasions whether it is any celebration or obituary to console them.

### **Conclusion:**

It is with a deep sense of humility and gratitude that we present these achievements. All these are the gifts of God through the powerful grace of our beloved Mother Mary to those who think and toil all their lives for the service of mankind. May the Almighty God bless us all and all our endeavours.

Thank You One and All!

**Principal**
